

Report on proceedings year 2016 of the Stichting the Friends of St. Mary's. (25-04-2017) Count Alfred Solms did chair the meeting.

The treasurer presented the meeting-, action- and financial reports . The financial statement and the action report were scrutinized and subsequently approved. The treasurer was therefore discharged.

Questions and remarks concerning the financial status and mode of operation were posed.

Investigations on how improvements on the interest gain could be materialized were undertaken and a donation to the Sunday School of St. Mary's was made at the end of the year 2016.

The financial situation of St. Mary's congregation did not give reason to expect a request for a donation. General agreement was that if the case should arise, the treasurer of St. Mary's will forward a request to our Stichting for assistance.

Planning for the year 2017 is to safeguard our capital for any assistance of St. Mary's congregation and once again transfer a small donation in Support of the Sunday School.

Count Alfred Solms did chair this meeting for the last time as he did ask to be relieved of his function. He will be taken of the list of board members of the Stichting and will be replaced by his daughter Charlette Solms.
